1   An introduction to multilevel secure relational database managemen
    Walid Rjaibi
    October 2004 CASCON '04: Proceedings of the 2004 conference of the Cen
                  Collaborative research
    Publisher: IBM Press
    Full text available: 📄 Pdf (126.15 KB)   Additional Information: full citation, abstract,

    Bibliometrics: Downloads (6 Weeks): 17,   Downloads (12 Months): 261,   Citatio

       Multilevel Security (MLS) is a capability that allows information with diff
       in an information system, with users having different security clearance
       preventing users from accessing information ...

2   Improved count suffix trees for natural language data
    Guido Sautter, Cristina Abba, Klemens Böhm
    September 2008 IDEAS '08: Proceedings of the 2008 international symposi
                  applications
    Publisher: ACM
    Full text available: 📄 Pdf (145.28 KB)   Additional Information: full citation, abstract,

    Bibliometrics: Downloads (6 Weeks): 3,   Downloads (12 Months): 7,   Citation C

       With more and more natural language text stored in databases, handlin
       becomes very important. Optimizing queries with predicates includes (s
       estimating the selectivity of query terms based on small ...

       Keywords: count suffix tree, pruning, query optimization, selectivity es

3   Transactional publish/subscribe: the proactive multicast of database
    Arvola Chan
    June 1998   SIGMOD '98: Proceedings of the 1998 ACM SIGMOD internati
                  data
    Publisher: ACM
    Full text available: 📄 Pdf (106.55 KB)   Additional Information: full citation, abstract,

    Bibliometrics: Downloads (6 Weeks): 12,   Downloads (12 Months): 52,   Citation

       For many years, TIBCO (the Information Bus Company) has pioneered t
       form of push technology — to build flexible, real-time loosely-coupled d
       Publish/Subscribe is used by 300 of the ...

Keywords: event-driven, guaranted delivery, multicast, publish.subscr based addressing, transactionally guaranteed delivery

Also published in:
June 1998 SIGMOD Record Volume 27 Issue 2

4 Automatic extraction of facts from press releases to generate news s
Peggy M. Andersen, Philip J. Hayes, Alison K. Huettner, Linda M. Schmandt Weinstein
March 1992 Proceedings of the third conference on Applied natural languag
Publisher: Association for Computational Linguistics
Full text available: Publisher Site , Pdf (771.05 KB) Additional Information: full citatio

Bibliometrics: Downloads (6 Weeks): 1, Downloads (12 Months): 12, Citation (

While complete understanding of arbitrary input text remains in the futu construct natural language processing systems that provide a partial un accuracy. Moreover, such systems can provide ...

5 Queue: Volume 6 Issue 3
May 2008   Queue
Publisher: ACM
Full text available: Digital Edition , Pdf (5.56 MB) Additional Information: full citation

Bibliometrics: Downloads (6 Weeks): 110, Downloads (12 Months): 432, Citati

6 A distributed database architecture for global roaming in next-genera
Zuji Mao, Christos Douligeris
February 2004 IEEE/ ACM Transactions on Networking (TON) , Volume 12
Publisher: IEEE Press
Full text available: Pdf (427.81 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 11, Downloads (12 Months): 159, Citatio

The next-generation mobile network will support terminal mobility, pers portability, making global roaming seamless. A location-independent pe (PTN) scheme is conducive to implementing ...

Keywords: database architecture, location management, location track

7 A hierarchical access control model for video database systems
Elisa Bertino, Jianping Fan, Elena Ferrari, Mohand-Said Hacid, Ahmed K. El
April 2003   Transactions on Information Systems (TOIS) , Volume 21 Iss
Publisher: ACM
Full text available: Pdf (6.27 MB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 8, Downloads (12 Months): 137, Citation

Content-based video database access control is becoming very importar progresses of the following related research issues: (a) efficient video a visual concept representation; (b) effective video ...

Keywords: Video database models, access control, indexing schemes

8 Affinity-based management of main memory database clusters
Minwen Ji
November 2002 Transactions on Internet Technology (TOIT) , Volume 2
Publisher: ACM
Full text available: Pdf (553.96 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 12,   Downloads (12 Months): 76,   Citation

We study management strategies for main memory database clusters th
Internet applications and back-end databases as content caches. The ta
data across individual cache databases and to route queries ...

Keywords: Main memory database, clustering, database administration
organization, query affinity, scalability

9 A formal framework for reflective database access control policies
Lars E. Olson, Carl A. Gunter, P. Madhusudan
October 2008 CCS '08: Proceedings of the 15th ACM conference on Comput
Publisher: ACM
Full text available: Pdf (380.00 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 38,   Downloads (12 Months): 90,   Citation

Reflective Database Access Control (RDBAC) is a model in which a datab
database query itself, rather than as a static privilege contained in an ac
management of database access controls ...

Keywords: fine-grained access control, formal safety verification, refle
transaction datalog

10 A framework for scheduling parallel dbms user-defined programs on
computer
Michael A. Kochte, Ramesh Natarajan
May 2008   CF '08: Proceedings of the 2008 conference on Computing fror
Publisher: ACM
Full text available: Pdf (240.44 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 6,   Downloads (12 Months): 49,   Citation (

We describe a software framework for deploying, scheduling and execut
programs on an attached high-performance computer (HPC) platform. T
many DBMS workloads in the following two aspects. ...

Keywords: database accelerators, high-performance computing, parall

11 "Yes, but does it scale?": practical considerations for database-drive
John Russell
October 2001 SIGDOC '01: Proceedings of the 19th annual international co
documentation

Publisher: ACM
Full text available: Pdf (231.31 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 8, Downloads (12 Months): 75, Citation (

This paper explores the process of designing and implementing a datab. documentation, and putting it live on the web for customers to use. Usir practical considerations for balancing performance, ...

Keywords: Oracle, automation, categorization, database, performance services

12 Webformulate: a web-based visual continual query system
Jennifer Leopold, Meg Heimovics, Tyler Palmer
May 2002   WWW '02: Proceedings of the 11th international conference o
Publisher: ACM
Full text available: Pdf (423.60 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 9, Downloads (12 Months): 31, Citation (

Today there is a plethora of data accessible via the Internet. The Web h searching for, accessing, and sharing information. However, a considera data still goes unnoticed and unutilized, ...

Keywords: continual query, visual programming language, visual quer

13 ACM SIGAda Ada Letters: Volume XXV Issue 3
September 2005 SIGAda Ada Letters
Publisher: ACM
Additional Information: full citation, index terms

Bibliometrics: Downloads (6 Weeks): n/a, Downloads (12 Months): n/a, Citatio

14 Computing curricula 2001
CORPORATE The Joint Task Force on Computing Curricula
September 2001 Journal on Educational Resources in Computing (JER
Publisher: ACM
Full text available: Html (2.78 KB), Pdf (613.63 KB) Additional Information: full citatic

Bibliometrics: Downloads (6 Weeks): 112, Downloads (12 Months): 1256, Cita

15 Tools and approaches for developing data-intensive Web applicatior
Piero Fraternali
September 1999 Computing Surveys (CSUR) , Volume 31 Issue 3
Publisher: ACM
Full text available: Pdf (524.80 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 52, Downloads (12 Months): 572, Citatio

The exponential growth and capillar diffusion of the Web are nurturing a characterized by a direct business-to-customer relationship. The develo hybrid between traditional IS development ...

Keywords: HTML, Intranet, WWW, application, development

16 Cache tables: paving the way for an adaptive database cache

Mehmet Altinel, Christof Bornhövd, Sailesh Krishnamurthy, C. Mohan, Ham
September 2003 VLDB '2003: Proceedings of the 29th international co
bases - Volume 29 , Volume 29
Publisher: VLDB Endowment
Full text available: Pdf (193.63 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 5, Downloads (12 Months): 44, Citation (

We introduce a new database object called Cache Table that enables pe
partial content of a remote database table. The content of a cache table
populated in advance at setup time, or determined ...

17 Tolerating byzantine faults in transaction processing systems using (

Ben Vandiver, Hari Balakrishnan, Barbara Liskov, Sam Madden
October 2007 SOSP '07: Proceedings of twenty-first ACM SIGOPS symposiu
principles
Publisher: ACM
Full text available: Pdf (390.75 KB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 9, Downloads (12 Months): 121, Citation

This paper describes the design, implementation, and evaluation of are
Byzantine faults in transaction processing database systems. The schem
and updates on multiple replicas which are unmodified, ...

Keywords: byzantine fault tolerance, databases, state machine replica

Also published in:
October 2007 SIGOPS Operating Systems Review Volume 41 Issue 6

18 Model-driven development of Web applications: the AutoWeb system

Piero Fraternali, Paolo Paolini
October 2000 Transactions on Information Systems (TOIS) , Volume 18 I
Publisher: ACM
Full text available: Pdf (6.94 MB)   Additional Information: full citation, abstract,

Bibliometrics: Downloads (6 Weeks): 42, Downloads (12 Months): 442, Citatio

This paper describes a methodology for the development of WWW appli
specifically tailored for the methodology. The methodology and the deve
upon models and techniques already used in the hypermedia, ...

Keywords: HTML, WWW, application, development, intranet, modeling

19 Communications of the ACM: Volume 51 Issue 12

December 2008 Communications of the ACM
Publisher: ACM
Full text available: Digital Edition , Pdf (6.91 MB) Additional Information: full citation

20 Exporting and interactively querying Web service-accessed sources:
Michalis Petropoulos, Alin Deutsch, Yannis Papakonstantinou, Yannis Katsis
November 2007 Transactions on Database Systems (TODS) , Volume 32 I:
Publisher: ACM
Full text available: Pdf (1.80 MB)   Additional Information: full citation, abstract,

The CLIDE System assists the owners of sources that participate in Wet
systems to publish a restricted set of parameterized queries over the sc
them as WSDL services. The sources may be relational ...

Keywords: Middleware, Web services, limited access patterns, query r
